EDUCATION

- **UC Berkeley Coding Boot Camp** — Berkeley, CA
  Certificate — *Aug. 2019 – Dec. 2019*

- **Redwood Christian High School** — San Lorenzo, CA
  High School Diploma — *Aug. 2012 – Mar. 2016*

EXPERIENCE

- **Fairway Independent Mortgage Corporation** — San Leandro, CA
  Loan Opener — *Feb 2018 - Jan 2019*
  - **Learning new software, inputting loan applications, running credit reports while simultaneously making phone calls, ordering verification's of employment, and maintaining a tracking sheet/excel format.:**

- **UC Berkeley Coding Boot Camp** — Berkeley, CA
  Full Stack Web Development — *Aug 2019 - Dec 2019*
  - **A 3-month full-time coding boot-camp where I learned about Full Stack Web Development and the MERN Stack. I have worked on frontend and backend applications, connecting the frontend to the backend, setting up servers, connecting applications to a database, and deploying on Heroku. :**

PROJECTS

- **Clicky Game**: A react.js app where the user tries to click as many images as possible before clicking the wrong image.
- **Mongo Scraper**: A app that gets the local news using The New York Time's API using the MERN stack.
- **Jesus' Portfolio**: My portfolio that includes an about, projects, and contact section with awesome animations.

SKILLS

- **HTML5, CSS3, SASS, JavaScript, jQuery, Bootstrap, Responsive Design, React.js, npm, Gulp.js, Git, GitHub, Node.js, Express.js, Python, MySQL, Firebase, MongoDB, Postman, VS Code, Heroku.**
